## **Disclaimer**

- 1. NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY, IN WHOLE OR IN PART IN, INTO OR FROM ANY JURISDICTION WHERE TO DO SO WOULD CONSTITUTE A VIOLATION OF THE RELEVANT LAWS OR REGULATIONS OF THAT JURISDICTION.
- 2. IMPORTANT: You must read the following before continuing. The following applies to this document, the oral presentation of the information in this document by Caixa Económica Montepio Geral, caixa económica bancária, S.A. ("Banco Montepio" and, together with its subsidiaries, the "Group") or any person on behalf of the Group, and any question-and-answer session that follows the oral presentation of the information in this document (collectively, the "Presentation"). This presentation and the information contained herein (unless otherwise indicated), has been prepared by Banco Montepio solely for informational purposes and may not be used for any other purpose. By attending the meeting where this presentation is made, or by accepting delivery of or by receiving this presentation, you agree to be bound by the following terms and conditions, including any modifications to them.
- 3. The matters discussed in this document may contain forward-looking statements that are subject to risks and uncertainties. By their nature, forward-looking statements involve known and unknown risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future and that may cause the actual results, performance or achievements of Banco Montepio to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Many of these risks and uncertainties relate to factors that are beyond Banco Montepio's ability to control or estimate precisely, such as future market conditions, currency fluctuations, the behaviour of other market participants, the actions of regulators and other factors such as Banco Montepio's ability to continue to obtain financing to meet its liquidity needs, changes in the political, social and regulatory framework in which Banco Montepio operates or in economic or technological trends or conditions, including inflation and consumer confidence. The readers of this presentation are cautioned not to place undue reliance on these forward-looking statements. Even if Banco Montepio's financial position, business strategy, plans and objectives of management for future operations are consistent with the forward-looking statements contained in this presentation, such results or developments, as well as Banco Montepio's past performance, may not be indicative of results or developments in future periods. Banco Montepio expressly disclaims any obligation or undertaking to release any updates or revisions to these forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
- 4. The information contained in this document should be read in conjunction with any other information published by the Group.
- 5. The information contained in this document is provided as of its date and is subject to change without notice, may be updated, completed, revised and amended and such information may change materially in the future. The Group is under no obligation to update or keep current the information contained in this document. The information contained in this document has not been independently verified. None of the Group or any of its respective affiliates, advisors, directors, officers, employees or representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising from any use of this document or its contents or otherwise arising in connection with the Presentation.
- 6. This Presentation should not be construed as legal, tax, investment or other advice. Analyses and opinions contained herein may be based on assumptions that, if altered, can change the analyses or opinions expressed. Nothing contained herein shall constitute any representation or warranty as to future performance of any security, credit, currency, rate or other market or economic measure. This Presentation does not constitute a recommendation with respect to any securities.
- 7. The information contained in this document has been prepared by Banco Montepio in accordance with International Financial Reporting Standards ('IFRS'), as adopted by the European Union ("EU"), for the purpose of preparing consolidated financial statements in accordance with Regulation (EC) 1606/2002, as amended.
- 8. The 1H2025 results have not been audited.
- 9. Certain amounts and percentages in this presentation may be subject to rounding and may not add up the totals/changes presented.

| CONSOLIDATED NET INCOME                               | 68.7   | 70.7   | 1.9        | 2.8%    |

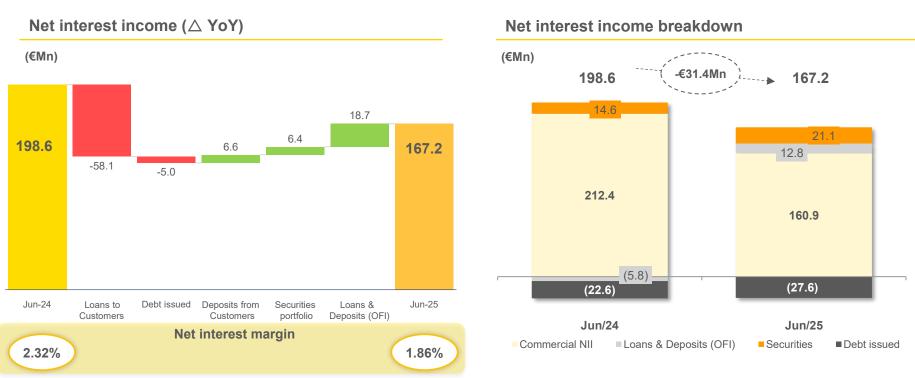

#### Net income

- Net commissions increased by 4.3% YoY to €65.8Mn, supported by stronger commercial activity and business growth
- Continuous improvement in asset quality and risk management led to a €15.3Mn YoY reversal in loan impairments, reflecting an enhanced loan portfolio quality
- Taxes reduced by €24.1Mn YoY, supported by lower pre-tax income, the corporate tax rate cut from 21% to 20%, as well as tax optimisation measures

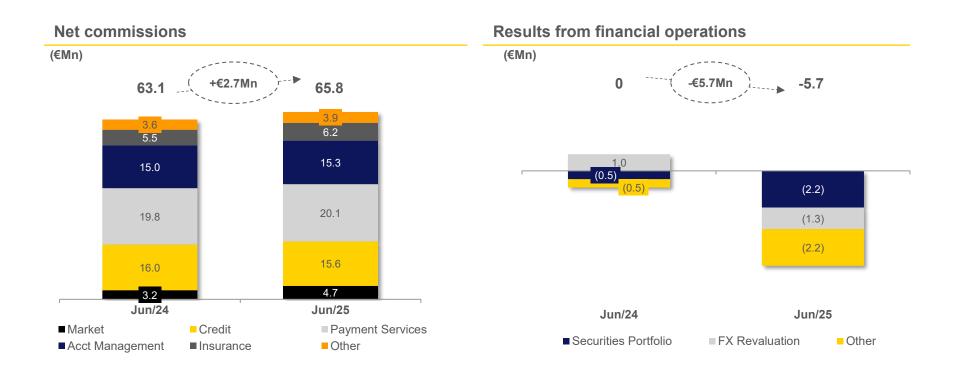

## Net interest income impacted by decreasing market rates and active liquidity management strategy

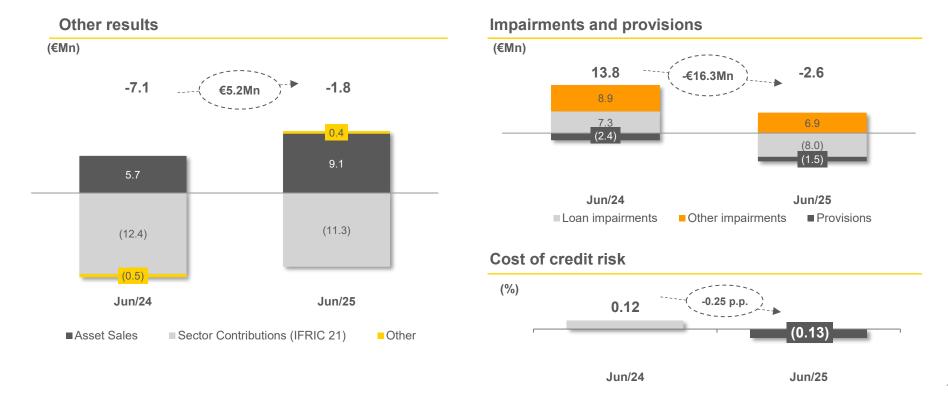

## Higher commissions and lower results from financial operations

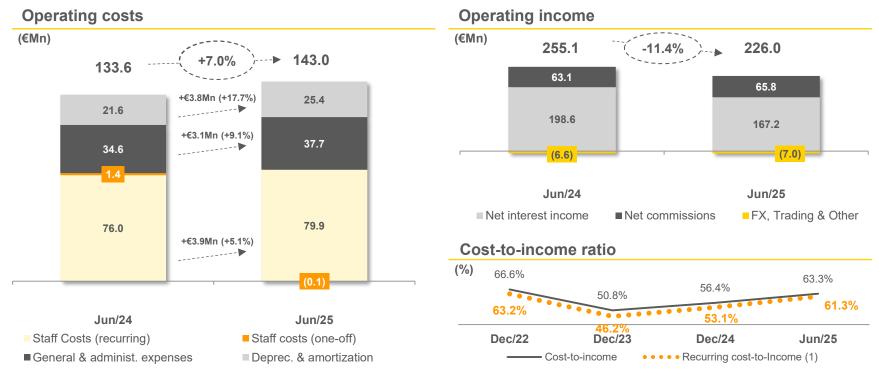

## Asset sales and lower impairments with positive contribution to results

## IT investment, inflation and salary updates raised costs; operating income down on lower market rates

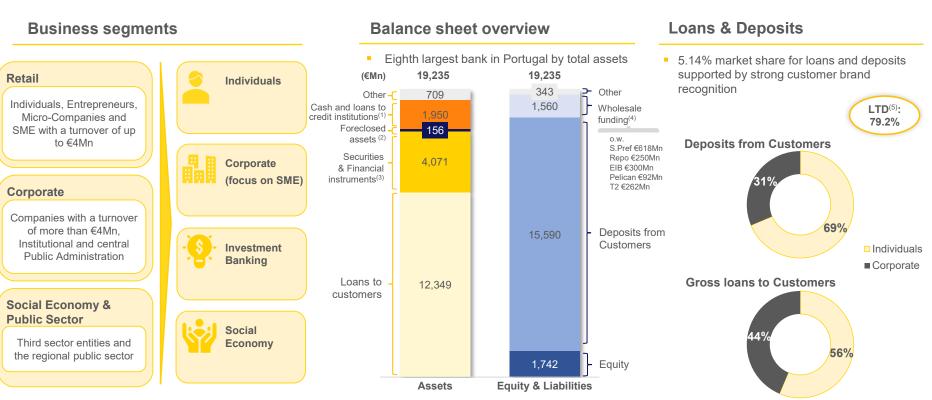

# 3

**Activity overview** 

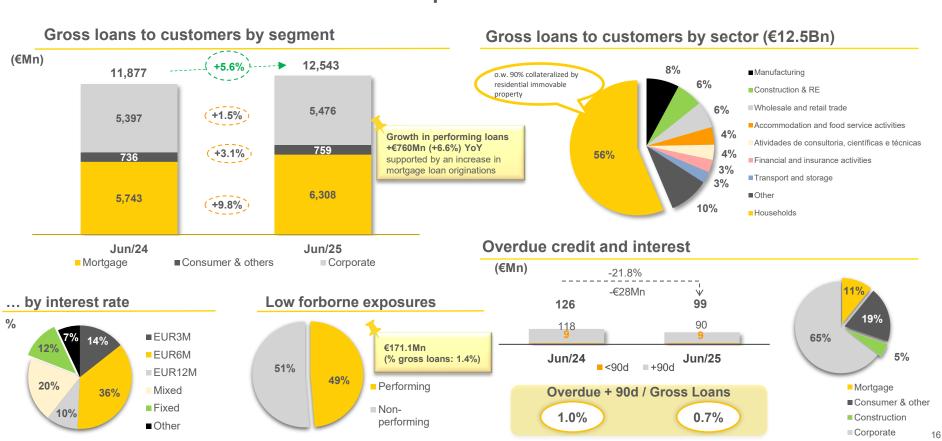

## Domestic bank focused on Individuals and SME

<sup>(1)</sup> Cash and loans to credit institutions = Cash and deposits at central banks + Loans and advances to credit institutions repayable on demand + Other loans and advances to credit institutions. (2) Foreclosed assets = Real Estate Owned. (3) Securities & Financial instruments = Financial assets held for trading + Financial assets at fair value through profit or loss (FVPL) + Financial assets at fair value through other comprehensive income (FVOCl) + Other financial assets at amortised cost. (4) Wholesale funding = Deposits from other financial institutions + Debt securities issued + Other subordinated debt. (5) Loans and advances to customers / Deposits from customers

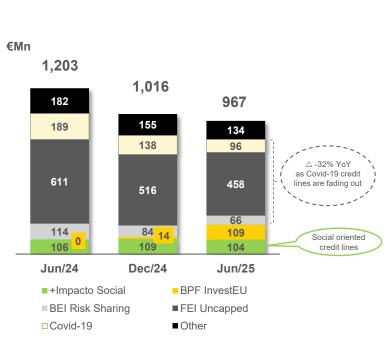

## Diversified loan book with low delinquencies

## Loans and advances subject to public guarantee schemes represent 18% of the corporate gross loans

## Continuous NPE reduction with an adequate coverage

## NPE deleveraging (€Mn) Since 2015: Dec 2015: -93% €3,232Mn 380 20.7% 330 -28% YoY 260 236 3.2% 2.8% 2.1% 1.9% Dec/23 Jun/24 Dec/24 Jun/25

NPE ratio (1)

NPE

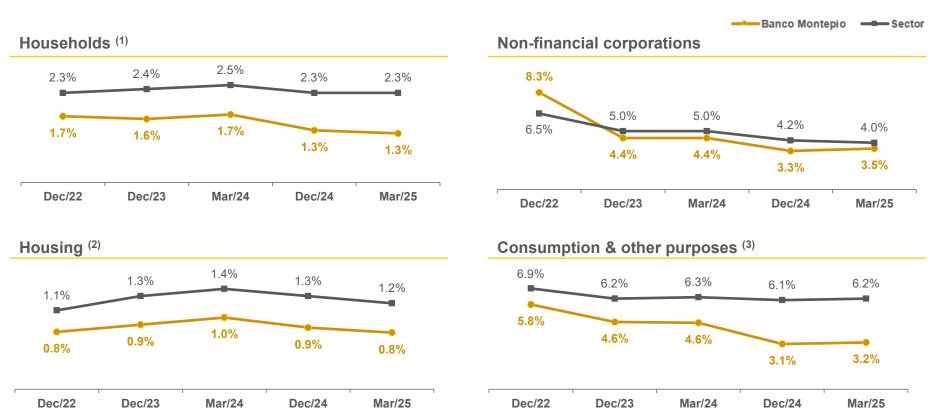

## **NPE** coverage

- By total impairments for credit risk
- By total impairments for credit risk & collateral (RE & financial guarantees)

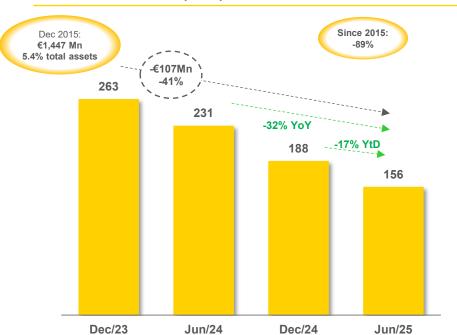

## Banco Montepio's NPL ratio outperforms sector across all segments

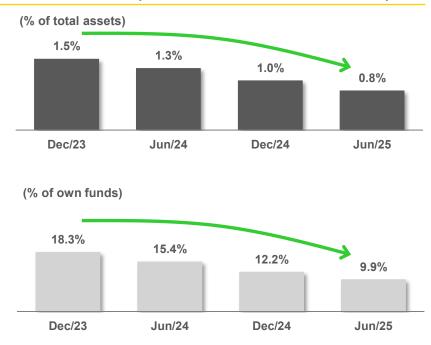

## Persistent reduction in foreclosed assets

### Foreclosed assets (€Mn)

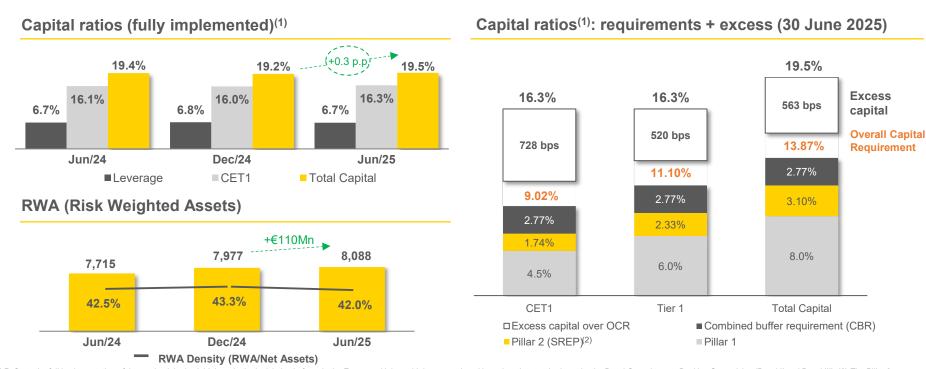

### Foreclosed assets (% of total assets and own funds)

Focus on the RE sales, increasing efforts to promote retail sales and take advantage of all wholesale market opportunities

## Total Capital ratio maintained an increasing trend with organic capital generation

<sup>(1)</sup> Reflects the full implementation of the prudential rules laid down in the legislation in force in the European Union, which was produced based on the standards set by the Basel Committee on Banking Supervision (Basel II and Basel III). (2) The Pillar 2 applicable to Banco Montepio since 1 April 2025 is 3.10%, which represents a reduction of 15 bp compared to the previous requirement, reflecting a positive evolution of Banco Montepio's overall credit risk. The procedures followed by the Banco de Portugal in relation to the annual Supervisory Review and Evaluation Process (SREP) comply with the guidelines of the European Banking Authority (EBA) and the methodologies defined under the Single Supervisory Mechanism).

The ratios include the period's net income.

## MREL requirement successfully met with surplus

CFT1 ■ Eligible Liabilities ■ Surplus ■ Tier 2

✓ Aiming to maintain an adequate MREL surplus, aligned with the overall strategy and risk profile, through a sustainable combination of issuance, organic capital generation, and balance sheet optimisation

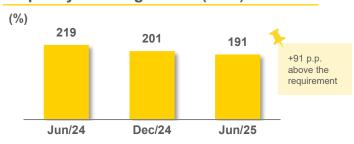

Banco Montepio is not subject to any subordination requirements

<sup>(1)</sup> The pro forma figures include the cumulative profit for the period, less estimated potential distributions. (2) Includes a combined buffer requirement of 2.77 p.p. as at 30 June 2024 and 30 June 2025, and of 2.78 p.p.as at 31 December 2024. (3) As determined by Banco de Portugal, the MREL requirement to be permanently met from 30 September 2025 onwards is 21.68% of the Total Risk Exposure Amount (TREA). Taking into account the combined capital buffer requirement (2.77% as of 30 June 2025), the total requirement on a TREA basis totals 24.45%.

#### **Brand of Excellence – Superbrands 2025**

✓ For the 16th time, Banco Montepio has been distinguished as a Superbrands brand, a recognition awarded by this independent international organisation, which identifies brands that stand out in each market for performing above and beyond their competitors. In Portugal, the distinction is awarded based on a consumer survey and the assessment of the Superbrands Council. This recognition also reflects the path we have been following for 181 years, alongside families, companies and social economy entities. That is why we say: this recognition is true love.

#### Bem Bom is back

- ✓ After launching the Bem Bom competition in 2024 as part of its 180th anniversary, an initiative that awarded more than €1.5Mn to customers with mortgage loans, Banco Montepio is launching the second edition in 2025 to reach even more families.
- Following the success of the first edition, which was exclusively addressed to customers, Banco Montepio is now extending access to the competition, allowing anyone with a mortgage to participate, whether or not they are a Banco Montepio customer.
- The "Bem Bom" competition, held in partnership with TVI, is being broadcast in a 2-minute programme immediately after the Jornal Nacional news. Each broadcast will show the moment of the draw, announce the winner and share stories and content that spread joy. The partnership with Rádio Comercial, the Portuguese people's favourite radio station, also continues.
- ✓ The 2025 edition will last 40 weeks, until January 2026, and will raffle 40 iconic cars, one per week. The prize is the new Renault 5, 100% electric and voted European Car of the Year 2025. A model that has marked generations, is part of our collective memory and is now back, renewed and ready to respond to the social and environmental challenges of our time.

#### Banco Montepio among the most valuable Portuguese brands

✓ Banco Montepio recorded the second highest increase in value in the annual ranking of the 100 Most Valuable Portuguese Brands. The study, conducted by OnStrategy, reveals that Banco Montepio achieved significant growth of 68.3%, climbing 16 places to 42nd position. OnStrategy develops and delivers consulting services in analysis, strategy and financial evaluation to maximise the value of tangible and intangible assets using independent methodologies and tools. This ranking is developed based on the Royalty Relief methodology and follows the requirements of international standards ISO20671 (brand strategy and strength assessment) and ISO10668 (financial assessment).

# Banco Montepio awarded by ALF - Portuguese Leasing, Factoring and Renting Association

✓ Banco Montepio was recognised by ALF - Portuguese Association of Leasing, Factoring and Renting as the institution with the highest percentage growth in factoring production in 2024, with an increase of 31%. This award recognises the progress that Banco Montepio has been consolidating, with a strategic focus on financing companies, including specialised credit solutions such as Factoring, which contribute to a more efficient cash flow management and a sustainable business growth.

#### Banco Montepio supports the 2025 Pirilampo Mágico Campaign

- ✓ The Pirilampo Mágico Campaign, promoted by FENACERCI and supported by Banco Montepio since 2017, took place between 9 May and 1 June 2025. The colour chosen for this edition was violet, associated with wisdom and transformative power, values that reflect Fenacerci's mission: to support thousands of people with intellectual and/or multiple disabilities and their families. With a lighthouse as its background image, the campaign adopted the slogan "The light that embraces difference".
- ✓ The *Pirilampo Mágico* (Magic Firefly) is one of the greatest symbols of solidarity in Portugal and its main objective is to raise funds for CERCI, members of FENACERCI, and other similar organisations.

#### Banco Montepio hosted another edition of Braço Direito, organised by JAP - Junior Achievement Portugal

- ✓ The initiative took place in early April and aimed to provide practical professional experience to young people about to enter the job market, offering them the opportunity to shadow a Banco Montepio employee for a day. During this experience, students participated in various activities developed by mentors and accompanied them in their daily professional tasks.
- The initiative raised awareness of the various professional opportunities in the financial sector, while reinforcing the importance of everyone's contribution to the smooth functioning of the labour market.

#### Banco Montepio joined Model UN at ISCSP

- Banco Montepio participated in Model UN at the Higher Institute of Social and Political Sciences (ISCSP) of the University of Lisbon, an initiative integrated into the World Diplomacy by Young Generation programme, promoted by the United Nations Association Portugal, which aims to bring young people closer to the global world and international negotiation. The central theme of the debate was "New Technologies and Conflict Dynamics".
- ✓ Model UN is an educational simulation of the United Nations General Assembly, which aims to provide a realistic experience of multilateral diplomacy. Banco Montepio was part of the panel of judges responsible for awarding the "Best Resolution" prize, given to the delegation that stood out the most in drafting proposals, mediating conflicts and promoting consensus.
- Banco Montepio's participation in this initiative reflects its ongoing commitment to sustainability, education and active citizenship. The prize consisted of a summer internship at Banco Montepio for the members of the winning delegation.

#### Banco Montepio attends the "Great Sustainability Conference"

- ✓ Banco Montepio attended the "Great Sustainability Conference", organised by Jornal de Negócios, at Nova SBE, in Carcavelos. This event brought together business leaders, experts and representatives from financial and academic institutions to discuss strategies and solutions that promote sustainable economic growth, with a focus on innovation, competitiveness and energy transition.
- ✓ The presence at this conference reinforces Banco Montepio's position as an active partner in building a greener, more competitive future focused on responsible innovation.

#### ESG rating ESG WEEK 2025 - Banco Montepio was Main Sponsor

✓ The 4th edition of ESG WEEK | Environmental, Social, Governance, an initiative organised by the Portuguese Association for Business Ethics (APEE), once again featured Banco Montepio as Main Sponsor. ESG WEEK 2025 was the stage for debate on the major issues of sustainability, within the ESG framework, and took place at Estúdio Time Out, in the Ribeira Market, in Lisbon.

#### Sustainable Vehicle Fleet

- ✓ Banco Montepio has renewed its Move+ certificate, achieving an A+ energy rating. Move+ is a system for assessing and classifying the energy performance of vehicle fleets, awarded by the Portuguese Energy Agency (ADENE). Banco Montepio was one of the first companies in the country to receive this certification, which it has now renewed for the third consecutive time. The certificate recognises organisations at the forefront of the energy transition, moving towards a more sustainable and decarbonised economy.
- ✓ The Move+ rating system provides an energy efficiency scale for a company's vehicle fleet, ranging from A+ (most efficient) to F (least efficient).

CET1 - Common Equity Tier 1.

Commercial net interest income - Refers to the net income derived from interest earned on Loans and advances to customers, less the interest paid on Deposits from customers.

Cost of Credit Risk - Indicator that measures the cost recognized in the period and recorded as credit impairment in the income statement to cover the risk of default in the loans and advances to Customer's portfolio. It results from dividing the Credit Impairment (annualized) by the average balance of Gross Loans to Customers.

Cost-to-income ratio - Ratio of operating efficiency measured through the portion of operating income that is absorbed by operating costs, given by dividing operating costs by operating income.

**EBA** - European Banking Authority, European Banking Authority.

Fully implemented - It refers to the full implementation of the prudential rules set out in the legislation in force in the European Union, which was produced based on the standards defined by the Basel Committee on Banking Supervision in the agreements known as Basel II and Basel III.

Gross return on equity - Ratio given by dividing the Net income before tax by the average Equity.

LCR - Liquidity Coverage Ratio.

Liquidity buffer – Sum of the aggregate amount of the balance sheet item "Cash and deposits at central banks" and the market value, net of haircuts applied by the ECB, of eligible and uncommitted assets for liquidity-providing operations under the Eurosystem's monetary policy.

Net commissions - Corresponds to the item in the income statement "Net fee and commission income".

Non-Performing Loans - NPL according to the EBA definition

NPE - Non-Performing Exposures according to the EBA definition.

NPE coverage by specific impairments - ratio that measures the proportion of impairment for credit risks of non-performing exposures, in relation to the balance of non-performing exposures.

NPE coverage by total impairments for credit risk - ratio that measures the proportion of impairment for credit risks accumulated on the balance sheet in relation to the balance of non-performing exposures.

**NPE coverage by total impairments for credit risk, collateral and associated financial guarantees** - ratio that measures the proportion of the sum of the impairment for credit risks accumulated on the balance sheet and the value of the associated collateral and financial guarantees, in relation to the balance of non-performing exposures.

NPE ratio - Ratio given by the division of NPE calculated in accordance with the EBA definition by Gross Loans to Customers.

Non-Performing Loans - NPL according to the EBA definition.

NSFR - Net Stable Funding Ratio

Operating costs - Sum of the Income Statement headings "Staff costs", "General administrative costs" and "Depreciation and amortisation".

**Operating income** - Corresponds to the sum of the Income Statement items "Net interest income", "Dividends from equity instruments", "Net fee and commission income", and the sum of Results from financial operations and Other results.

Other results - Corresponds to the sum of the Income Statement headings "Net gains/(losses) arising from sale of other financial assets" and "Other operating income/(expense)".

Performing loans - Corresponds to the Gross Loans to Customers less the Non-performing loans.

Proforma ratios (Common Equity Tier 1 (CET1), Tier I Capital, Total Capital) - calculated including accumulated net income for the period, less estimated potential profit distributions.

Results from financial operations - Sum of the headings in the income statement "Net gains/(losses) arising from financial assets and liabilities at fair value through profit or loss", "Net gains/(losses) arising from financial assets at fair value through other comprehensive income" and "Net gains/(losses) arising from exchange differences".

RWA - Risk-Weighted Assets.

Securities portfolio - Total of the balance sheet asset items "Financial assets held for trading", "Financial assets at fair value through other comprehensive income", "Other financial assets at amortised cost", "Financial assets at fair value through profit or loss" and "Hedging derivatives", less the balance sheet liability items "Financial liabilities held for trading" and "Hedging derivatives".

**YoY** - Year-on-year, change compared to the same period in the previous year.

**YtD** - Year-to-date, change compared to the end of the previous year.
